

Volunteering at Oasis Academy Short Heath

Thank you for your interest in volunteering at Oasis Academy Short Heath, and your generosity in considering giving us your time. We really value the part that volunteers play in helping our children to succeed. You bring wonderful skills into the school and support our classroom staff in their roles. These are examples of what you might do:

- reading with children on a 1:1 basis
- supporting a group of children within the classroom
- administration support
- gardening
- painting
- general in-class support
- making resources

What you need to do next:

1. Complete and submit the application form
2. Bring in 1 form of photographic ID (current passport or driving licence) to either office.
3. Bring in 2 documents that prove your current address (bank statement, utilities bill etc.)
4. Complete your online DBS application (details are on the form)

When we have items from 1-3, you are able to start with us. Mrs Allen will arrange a time for you to visit us for your induction session.

Please do not hesitate to contact Mrs Allen should you require any further information or if you need help in filling out the forms.

We look forward to working with you,

Michelle Lee
Principal
