

Your child needs to have the following in school every day:

A labelled refillable plastic water bottle.

A labelled school bag to take home letters, completed work, and iPads if necessary.

Please ensure that you remove all jewellery before your child comes to school each day.

Reception Curriculum
Information

Our focus topic will be Fairy Tales

Updates

Ipads will be introduced to children in school this half term.

Extra information

Should you need to discuss anything with staff please, wait until all children have been dismissed, or message on class DOJO.

Please ensure you have access to, and regularly check, the DOJO system to ensure you are kept up to date with any notices.

Absences please contact the office for absences, and not through DOJO to ensure our records are up to date.

Curriculum

This half term in Literacy, we are focusing on thinking of sentences using recently introduced vocabulary. Writing words/caption/sentences using phonics knowledge.

In Maths, we will working on knowing and understanding numbers to 7, including their composition.

Weekly Routines:

Home readers will be sent out this term. Please ensure your children's homework folder is in school to send and return the book safely.

Spellings/Homework

Spellings will starting this term. These will be sent home weekly to be learnt by the following Friday. We will be starting stage Phase 3 sounds. We will continue to send out the sounds and tricky words we have learnt for you to put in your 'word tin'. Please ensure you are practising these every day.

Tapestry please continue to like/comment on Tapestry posts! These go live every Friday at 4pm. Please continue to post any updates/wow moments your child has at home or things you get up to. We love to see!

English

Phonics (Phase 3)

Speaking and Listening

Handwriting

Letter formation

Writing sentences

Phonics

We are teaching two sounds a week along with tricky and high frequency words. These have all been sent home for you to add to your word tins!

Please continue to practise recognising, reading and writing these sounds at home.

Mathematics

Number

Sorting and ordering

Number bonds

Representation of numbers

Counting accurately

Number bonds

In maths, we will be learning about numbers to 5, 6 and 7. This includes

knowing number bonds to each number e.g.

5

$$3+2 = 5$$

$$2+3 = 5$$

This is a huge part of the curriculum and children will need to know these to achieve their end of year expectations in maths.

Speaking and Listening

This half term in Reception we will be continuing to focus on developing the childrens speaking and listening skills. This includes learning and using new vocabulary, listening to and retelling stories, answering questions about stores they have heard and re-enacting stories. Please continue to share books with your children at home.

Physical Education

Tuesday Indoor — Dance

Friday Outdoor - Games

Home Projects

During some of our topics, the children will be given the opportunity to complete a home project. We will keep you updated about what this will be.

PSHE

This half term we will be developing our social skills. We will be practising sharing, taking turns and resolving conflict.

We really hope that you and your child enjoy this half term.
