**Year: 1**

**Focus subject: Music**

## What should I already know?

- Children sing songs, make music and dance, and experiment with ways of changing them.
- They represent their own ideas, thoughts and feelings through design and technology, art, music, dance, role play and stories

## Vocabulary

tuned	an instrument which is able to play different notes eg piano
untuned	an instrument which isn't able to play different notes. Eg cymbal
pulse	the heart beat of music (when you nod your head or clap along to music you are feeling the pulse)
rhythm	the series of long and short sounds make the rhythm
pitch	whether the sounds in the music are high or low.

## Key facts

Children should be:

- Able to identify some instruments when listening to music.
- Able to play an instrument in time to the music
- Able to listen with concentration to music
- Able to use their voices expressively and creatively when singing
