

Your child needs to have the following in school every day:

A refillable plastic water bottle.

A PE kit (black shorts/ tracksuit bottoms, white t-shirt and pumps)

A school bag to take home letters.

Please ensure that you remove all jewellery before your child comes to school.

Year 1 Curriculum Information

PE days

Tuesday and Wednesday

Please ensure that children attend school in their P.E kits on their P.E days. Please make sure that your child's outdoor shoes are suitable for the climbing frame with good grip and no heels.

Extra information

Whilst you are waiting for your child to come out of school, please stand back from the steps to allow all children space to see the adult who is collecting them. Staff will be happy to talk to you after school, but we ask that you please wait until all children have been collected safely.

When your child has received four Gold Awards please send them into school as Mrs Lee would like to award a prize for this achievement.

Our focus topic will be

Abacadabra

Weekly Routines:

Home readers, will be sent out and can be changed everyday.

Spellings will be sent out weekly on a Friday and tested the following Friday (please practise the spellings with your child and return the spelling book on a Friday ready to receive a new set of spellings)

Homework will be sent out every Friday on Showbie. Please complete this homework before the following Thursday.

English

Phonics (Phase 2,3,4 and 5)

Punctuation

Sentence structure

Handwriting

Letter formation

Speaking and Listening

This half term in Year 1 we will be focussing on developing the childrens speaking and listening skills.

Phonics

There is a phonics screening check at the end of Year 1. Children will be assessed on what they have learnt.

Physical Education

Indoor— Gymnastics

Outdoor - Football

Mental Wellbeing

There will be a key focus on Mental Wellbeing this half term as the children have missed lots of time from school and we want to focus on the children settling back into school.

Mathematics

Number/Place value

Number bonds

Representation of numbers

Counting to 100

Addition and Subtraction

Fractions

Home Projects

The children will be given the opportunity to complete a home project. This half terms home project is all about 'aspirations

Number bonds

It is vital your child knows their Number bonds, as this links into all aspects of the Maths curriculum.

PSHE

This half term we will be looking at successes and achievements

We really hope that you and your child enjoy this half term. Please bring in and share any home research or creations you may have been working on as a family.
