

IMPORTANT INFORMATION

I am sure you will agree we are in the middle of what are very uncertain times. Many of us are struggling to keep up to date with the daily advice and rapid progression coronavirus seems to be having on our lives.

We understand that a lot of you are worried about schools closing and the impact that this will have on you financially (whether you are having to take time off work or finding money to provide the extra meal of the day). We want you to know that we share the same concerns and have been busy working in the background so we we're prepared for when this happened.

Oasis Hub Short Heath have partnered up with The Active Wellbeing Society who are coordinating the feeding communities scheme as part of the resilience planning for the city utilising internal projects such as the Big Feed Project and collaborating with a range of local organisations such as the Real Junk Food Project Birmingham and Birmingham City Council. This comes under the #Brumtogether banner and #plateup.

This means that we may be able to provide you with food daily between 12pm – 2pm at Oasis Short Heath Academy on the day after you let us know.

If you would like to collect food. Please go to <https://theaws.co.uk/coronavirus-reassurance/> and complete the form on that page. Please ensure you add Oasis Short Heath Academy in the any other information box and whether you have any food allergies. Also please indicate how many of you need food. We will try and then produce food on the following day between 12.00-2.00.

Please ensure that you do not attend if you are self-isolating. If you are self-isolating and would like some food we will try and deliver it to you between 12.00-2.00 on the following day and we will leave it outside your front door. We will contact you using your mobile number to let you know when it is delivered.

This service is open for ALL. Please only request drop off's if you really need it as you may prevent people from having food who really need it.

We really need to look after each other in times like this and help those who are vulnerable. We ask for you to check in on elderly neighbours and also collect some food on their behalf.

In addition to this we have spoken to Urban Devotion who have kindly agreed to have a member of their team on hand once a week who will be there to support you emotionally. The day is yet to be confirmed.

Please remember that it is important to follow government advice and keep a safe social distance so we can lower the risk of spreading the virus.

For all the latest with #BrumTogether and support available visit www.theaws.co.uk/coronavirus

Search for 'The Active Wellbeing Society' on Facebook, Twitter, Instagram.
