

OASIS ACADEMY SHORT HEATH

NEWSLETTER - Friday 18th October 2019

Principal's Message

It was wonderful to see so many parents/carers attend Parents' evening on Wednesday. There is no doubt that by us working together we are making a difference for your children. May I remind you to make sure that you send your children with a warm coat every day. Please make sure that you write their name in the label.

Mrs Lee

No after school sporting clubs next week...

There won't be any sporting events/clubs after school next week due to Halloween parties taking place in the school hall.

Disney on ice

The children and staff had a fantastic evening at the Arena Birmingham watching Disney on Ice. This will be in no doubt, an experience the children will never forget. They were extremely well behaved and were a credit to our academy.

Poppy

Poppies will be coming round classes next week for anyone who wishes to make a donation.

In 2018 the Poppy Appeal raised over £50 million to help support serving and ex-serving members of the Armed Forces community and their families.

Safeguarding Letter now available

Autumn's Safeguarding Newsletter is now available to read online under the section 'Newsletters'. Please spend time to read this as it contains important information.

Meeting for Dodford Farm

Miss Ruffle will be holding a meeting about Dodford Farm on Wednesday 6th November at 3.20 on the junior hall for all parents in Year 3. This meeting will be a chance to talk about the arrangements for the trip including: activities available to the children; sleeping arrangements and dormitories; menu and dietary requirements and payment.

Newsletter spotlight

STAY AND PLAY

We have a stay and play session every Wednesday from

9am - 10.30am

We ask for a 50p donation towards supplies and we very much look forward to seeing you there!

Residential

Spaces are available for the residential and if these are not filled they will open up to year 4 after October half term. Come and see Miss Ruffle if you would like any further information.

Donations of uniform is always welcome

Do you have uniform that could be donated to the school? Please bring in to the main office any items of uniform that may be too small for your child that could be used again by other children within the academy.

If you have any interesting community news that you would like to see on our newsletter please contact Mrs. Allen in the office.

There is marketing information contained in this newsletter. If you no longer wish to receive it, please contact Mrs Allen in the Academy Office.

TARGET ACHIEVED!

Wear Pink day

Wear it pink brings together thousands of people on one day, all with the same aim – to wear pink, raise money and help make life-saving breast cancer research happen. Everyone looked fantastic!

World Mental Health Day

Last Thursday, we looked at what Mental Health is and how we can look after our Mental Health. Children wore yellow to make a statement that it is ok to talk about your mental health and together, we can support one another!

Sporting News!

Our Year 5 and 6 Boys football team competed in the second week of games at castle vale stadium. 2 tough games were ahead of us but our boys turned up and shown how good we are. First game was against Featherstone school and even though they had a few good chances, we dominated the game, playing some amazing football, finally winning the game 5-0. Our second game was against the winners of the league 4 years on the bounce, The Abbey, and what a performance our boys put in. There were chances for both teams but again we defended as a team and attacked as a team and managed to get the result and win 2-1. 2 wins from 2 and 6 points takes us up to joint first in the league with plenty of games to go. Well done to those involved.

Colder Weather

As the weather is quickly becoming colder, we ask that your child brings a warm coat into school each day. We try and get children outside at break times and lunchtimes regardless of the cold and therefore it's important that your child is warm.

This week our article is:

Article 33: Governments must protect children from the use of illegal drugs.

To be protected from drugs, children and young people should be taught about their effects. Teaching of this nature should take the views of young people into account, and should be carried out at both primary and secondary level. If a child or young person is affected by drugs they should be treated in a way that helps them get better.
