

Dear Parents and Carers,

As the dark nights draw in and Halloween is fast approaching, we would like you to give you some advice on ways you and your family can stay safe. Your child has also been given a NO TRICK OR TREATS postcard that can be displayed in your windows provided by West Midlands Police. Please ensure you are familiar with the COVID-19 restrictions that are in place if you do decide to take your child out trick or treating.

Darker Nights

West Midlands Police see an increase in calls at this time of the year due to Halloween, clocks going back and bonfire night. Violent offences, robbery and anti-social behaviour are the types of incidents that occur more often. Please ensure you know where your child is and who they are with as most of the ASB incidents recorded are children just thinking "they are having a laugh".

Fireworks know the facts

On Bonfire night it is illegal to set fireworks off after midnight
Don't buy professional fireworks unless you are a firework professional
If you are under 18 you cannot possess a firework in a public place

REPORT ANTI-SOCIAL BEHAVIOUR TO POLICE ON 101 OR DIAL 999 IN AN EMERGENCY

We have created a secure email address so that you can send any concerns you have privately SecureDSL@oasisshortheath.org alternatively please speak to The Safeguarding Team

Mrs Atwal

Mrs Lee

Mr Darnlev

Mrs East-Goodman

Finally, thank you for taking the time to read this notice.

The Academy, is part of Oasis Community Learning (OCL). OCL collects and processes personal data. Personal data is any information that can lead to the identification of a specific individual. Data we collect relates to various groups of data subjects (i.e. individuals) including parents, carers, students, siblings, our employees, volunteers and others involved in the life of the Academy. Data is collected for a variety of purposes including our legal and educational obligations, as well as statistical reporting. Some personal information we process is required to meet these obligations, whilst other information we process requires the specific consent of the individual and is optional and these circumstances are clearly indicated where relevant. The data is retained and managed in accordance with the OCL Data Protection and associated policies. More information about the processing of data within OCL can be found on the Academy and OCL websites within the Privacy Notice or can be obtained by contacting the Academy directly.
